

Route 66 Hike and Bike Trails at Lake Lou Yaeger

Thank you for visiting the Rt66 Hike and Bike Trails at Lake Lou Yaeger. These trails are made possible by the City of Litchfield and our team of amazing volunteers who develop and maintain them. Please follow these common sense rules:

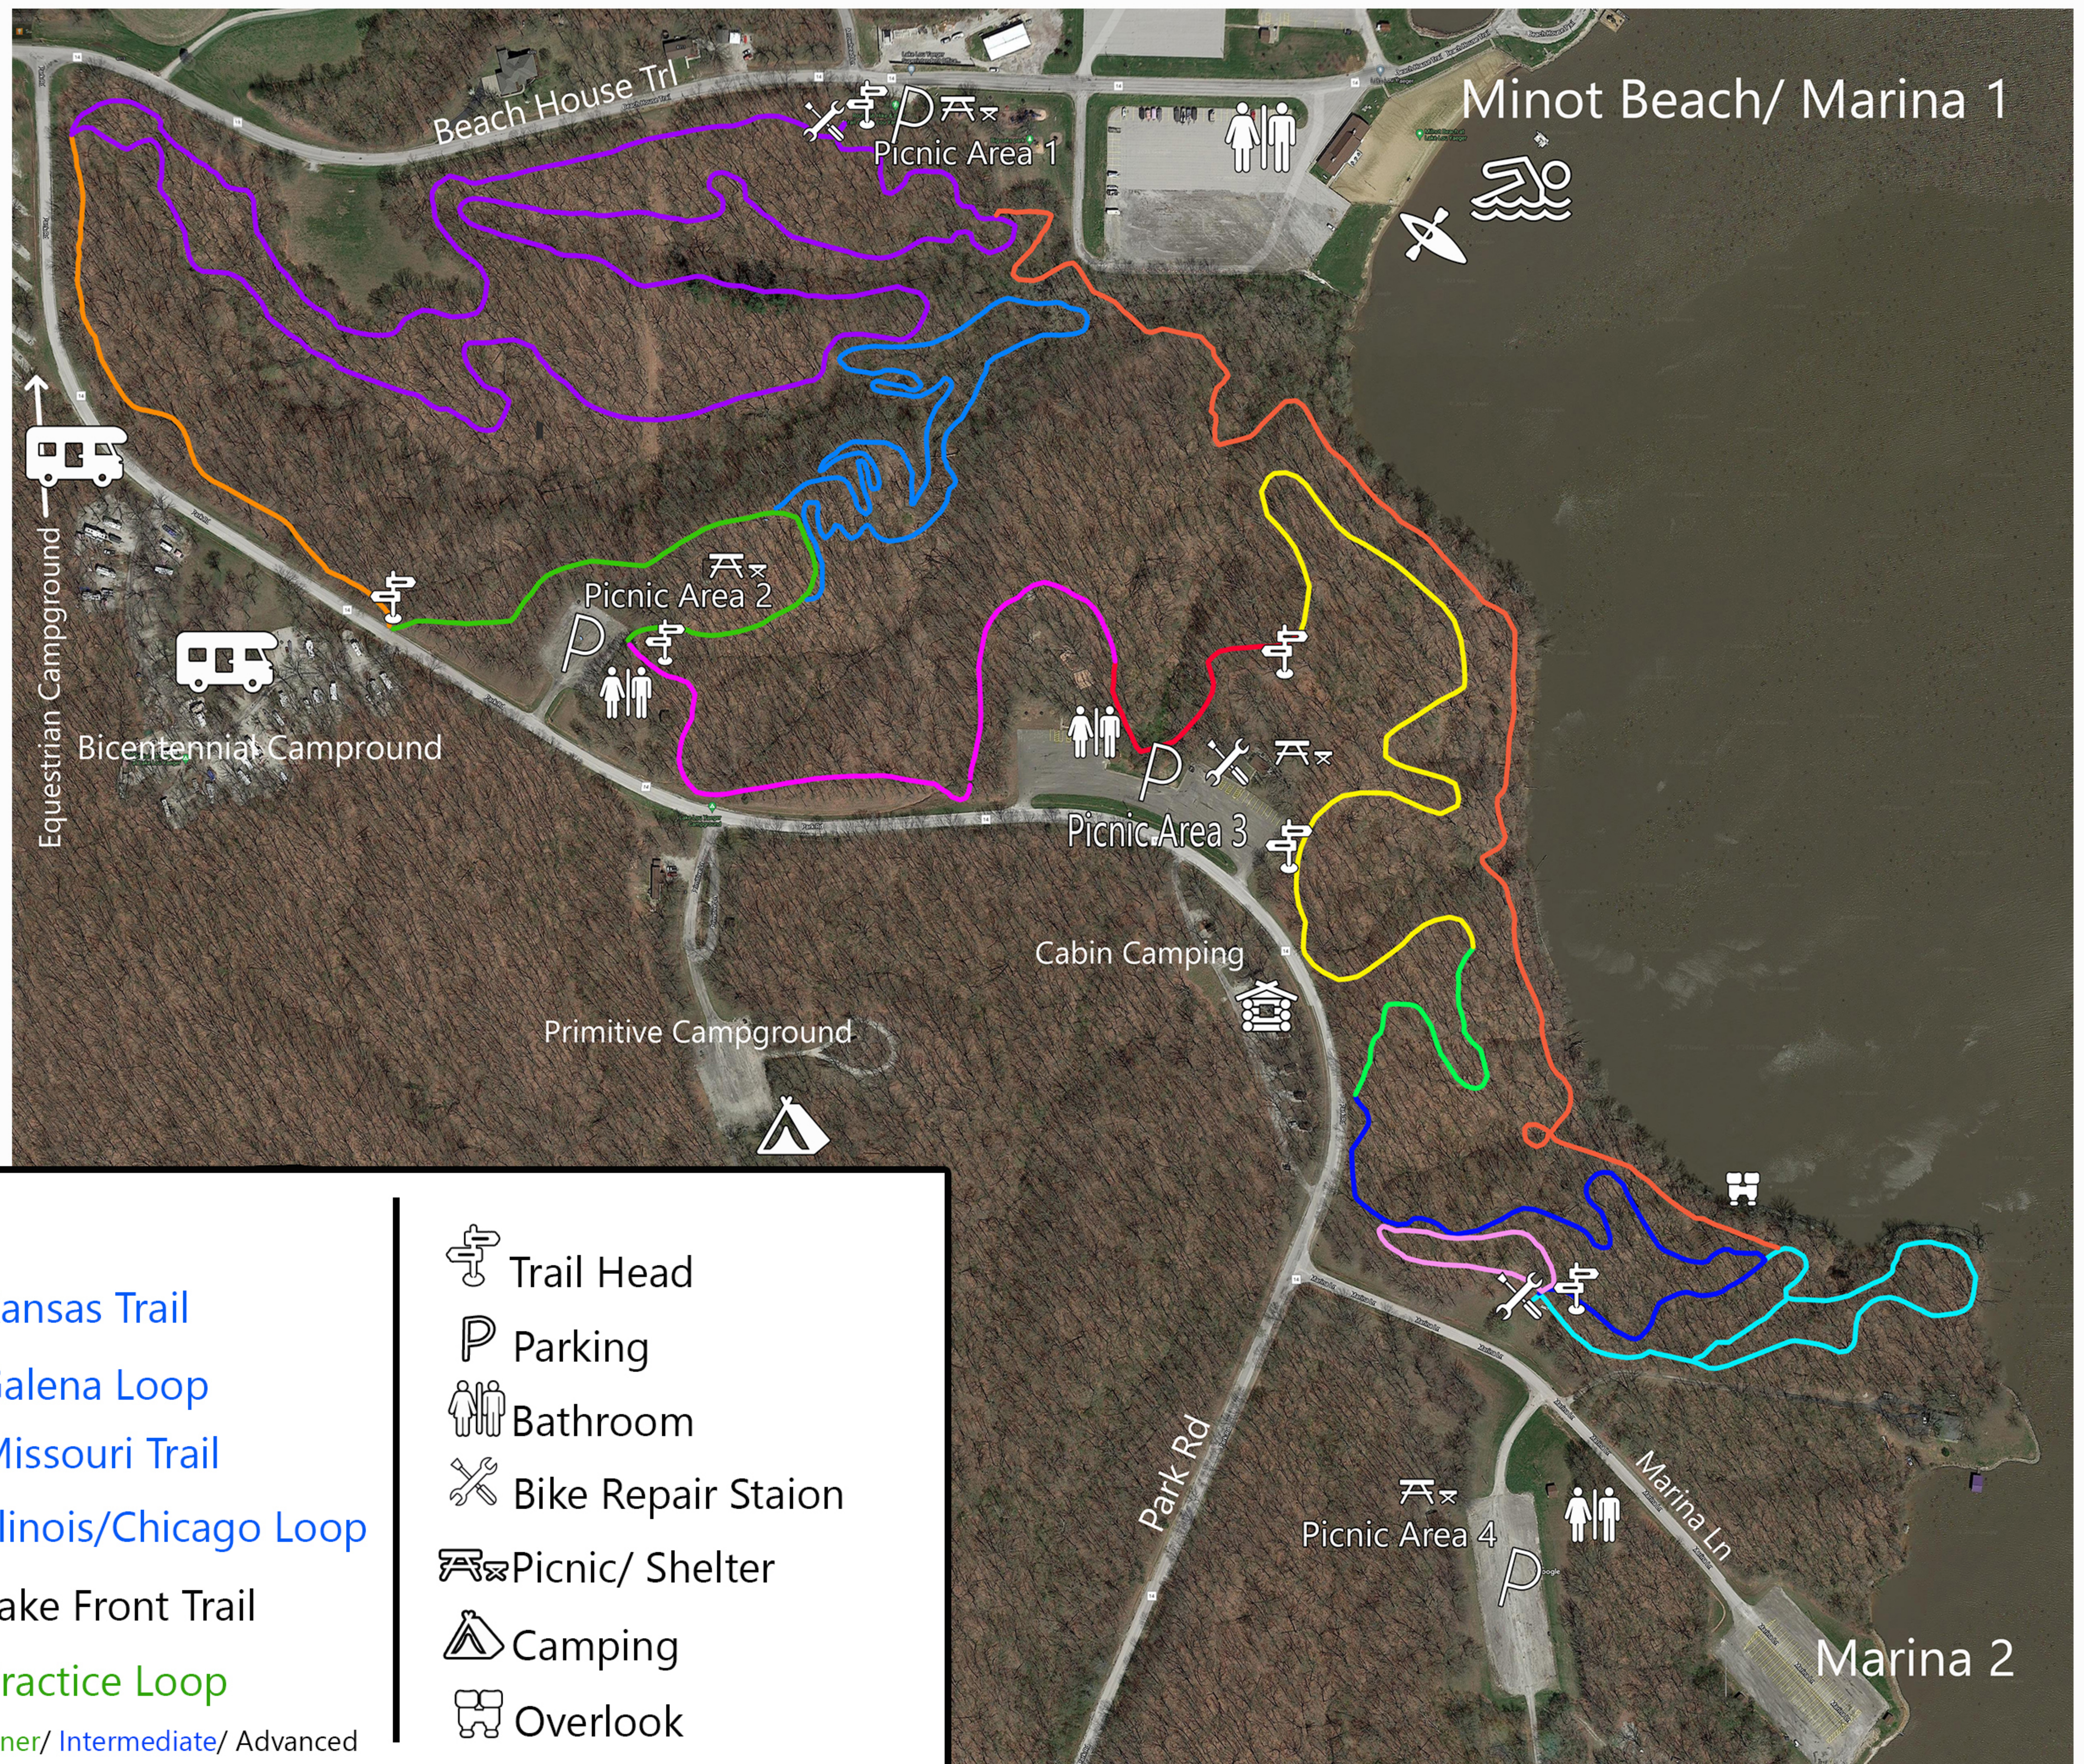

- 1: Be courteous to other hikers and riders
- 2: Keep pets on leashes
- 3: Pick up after yourself and pets. If you pack it in, pack it out
- 4: Do not dig/build on trails without permission

Please enjoy our trails and man made features at your own risk.

Helmets are strongly advised
